

What is the campaign about?

Gateway Pregnancy Center Baby Bottle Campaign 2005

What is a Baby Bottle Campaign?

Each family or family member who would like to assist Gateway takes a baby bottle home. Place the bottle in a central part of your home, perhaps a kitchen counter. Use it to collect your spare change and dollars for Gateway.

Baby Bottle donations will help us provide for:

- ♦ Free pregnancy tests
- ♦ A free sonogram (when appropriate) to verify a pregnancy
- ♦ Chastity literature distributed in schools and churches
- ♦ New Testaments given to all who come to Gateway
- ♦ Videos to show the reality of life to women and their boy friends or husbands

**But, most important of all it will help bring
the Gospel to pregnant teens and adults.**

January 23-
February 27, 2005

Thank you for your participation in this event!
